

# THE HEBREW UNIVERSITY OF JERUSALEM

The Robert H. Smith Faculty of Agriculture, Food & Environment  
International School of Agricultural Sciences

## One-year Master of Science degrees

The Hebrew University of Jerusalem's Robert H. Smith Faculty of Agriculture, Food & Environment offers 12-month, English-language M.Sc. programs. The programs are taught by the faculty members, leading researchers and industry professionals, integrating scientific knowledge and practical application in rigorous coursework and a research exercise. Upon successful completion of the program, students will be prepared to address challenges and opportunities related to agricultural intensification, nutrition and environmental sustainability.

Visit our website for the Application Guidelines:
